## **Staying Healthy in a Wireless World**

**Practical Steps to Protect Children,  
Families and the Community**

with

**Katie Singer**

Author of

*An Electronic Silent Spring*

**Thursday, April 9, 6:30-8pm**

**Good Samaritan Center**

**3500 Hilyard Street, Eugene**

**ADMISSION FREE**

Learn how you can protect yourself and loved ones from wireless technology radiation in our living spaces, schools and community. **We will have testing equipment available**—bring your devices to learn about their emissions.

**Schedule:** Finger food & dessert potluck at 6:30, followed by the program at 7.

**Bring:** Your favorite finger food or dessert to share, and any wireless devices you would like tested.

**Donations appreciated** to support Ms. Singer's travel expenses.
